February Program Descriptions

TEEN ADVISORY GROUP

(grades 7-12)

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month we'll team up with TWIG for a Bad Art Night to compete to create your own personal worst work of art! Snacks will be provided. Volunteering at the library and attending TAG meetings counts towards community service hours!

Registration is required.

DUNGEONS AND DRAGONS

(grades 7-12)

Join an ongoing roleplaying adventure where you can make friends, fight dragons, and enjoy snacks. All levels of experience welcome, all materials will be provided. We are currently playing through the 5th Edition campaign, Hoard of the Dragon Queen. If you want to learn more about DnD, creating a character, or hosting a game at home please talk to our Young Adult Librarian! **Registration is required.**

EARLY RELEASE EVENT: READY PLAYER ONE

(grades 7-12)

Come to the library on Early Release Day to watch Ready Player One and build your own towers and forts. Use cardboard blocks, legos, tablecloths, blankets, and other building materials to try and make the strongest, tallest tower! Pizza and snacks will be provided. **Registration is required.**

MAKERLAB: BRUSHBOT RACING

(grades 6-12)

MakerLab is an exploratory program for middle and high schoolers where we will use science, technology, engineering, arts, and math to create different projects each month! This month we'll use kits to make mini motorized brushbots, create a racetrack, and then race everyone's creations! **Registration is required.**

BUJO JOURNALS AND SCRAPBOOKS GROUP

(grades 7-12)

All teens interested in bujo or bullet journals, scrapbooking, or collages are encouraged to attend a crafting session to make a new monthly spread, scrapbook page, or collage and share their art and progress with their peers. We'll provide crafting supplies, themed examples, and tutorials for any teens who need inspiration! **Registration is required.**

FEBRUARY VACATION WEEK SPECIAL EVENTS

(grades 7-12)

On Wednesday, Eric Fulford will be hosting two events for teens and tweens at the library. From 11-12:00 pm, he'll be leading a comic book creation show where the audience will collaboratively create a comic together! From 1-2:00 pm for ages 9-18, he'll be leading an improv workshop with increasingly complicated games and silly characters. On Thursday, we'll have a showing of Lego: Batman from 2:30-4:30 that's open for all ages.

Registration is required for the improv workshop.
