# January Program Descriptions

## TEEN ADVISORY GROUP

(grades 7-12)

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. Pizza and crafts will be provided. Volunteering at the library and attending TAG meetings counts towards community service hours and NHS Points!

**Registration is required.**

## DIY DUNGEONS CHALLENGE & DND CHARACTER CREATION

(grades 7-12)

This month, we'll have two open Dungeons and Dragons related events for all teens interested in playing or leading the game! The DIY Dungeons Challenge will give groups of teens different big boss monsters that they have to build entire dungeons around; materials will be provided. The DnD Character Creation event will be a character creation event that delves into lore, character backstories, trying out different voices and mannerisms, and several improv games to get teens ready for the next round of sessions in February! If you want to learn more about DnD, creating a character, or hosting a game at home please talk to our Young Adult Librarian!

**Registration is required.**

## EARLY RELEASE EVENT: BLANKET FORT BUILDING CHALLENGE

(grades 7-12)

Come to the library on Early Release Day to build blanket forts, make a few crafts, and watch a winter movie! Blankets, craft supplies, pizza and s'mores and the movie will be provided. Feel free to bring your own blanket fort embellishments, snacks, and a friend!

**Registration is required.**

## MAKERLAB: Making Games with Scratch

(grades 6-12)

MakerLab is an exploratory program for middle and high schoolers where we will use science, technology, engineering, arts, and math to create different projects each month! This month we'll learn more about scratch, a beginner's coding software. We'll all make accounts, play other maker's games, and start to make our own coded games!

**Registration is required.**

## BUJO JOURNALS AND SCRAPBOOKS GROUP

(grades 7-12)

All teens interested in bujo or bullet journals, scrapbooking, or collages are encouraged to attend a crafting session to make a new monthly spread, scrapbook page, or collage and share their art and progress with their peers. We'll provide crafting supplies, themed examples, and tutorials for any teens who need inspiration!
