November Program Descriptions

TEEN ADVISORY GROUP

(grades 7-12)

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month we'll be voting on different design choices for furniture and carpeting for the new Teen Room! Bring a friend and enjoy a snack. Volunteering at the library and attending TAG meetings counts towards community service hours!

Registration is required.

DUNGEONS AND DRAGONS

(grades 7-12)

Join an ongoing roleplaying adventure where you can make friends, fight dragons, and enjoy snacks. All levels of experience welcome, all materials will be provided. We are currently playing through the 5th Edition campaign, Hoard of the Dragon Queen. If you want to learn more about DnD, creating a character, or hosting a game at home please talk to our Young Adult Librarian!

Registration is required.

EARLY RELEASE EVENT: ESCAPE THE ROOM PROGRAM

(grades 7-12)

Come to the library on Early Release Day to gather in teams of 3-4 to solve puzzles and riddles, crack codes and ciphers, and unravel the mysteries of the urban legends and cryptids that will try to stop you from escaping the room! Pizza, snacks, and a craft will be provided in a separate waiting area.

Registration is required.

MAKERLAB: SCREENPRINTING

(grades 6-12)

MakerLab is an exploratory program for middle and high schoolers where we will use science, technology, engineering, arts, and math to create different projects each month! This month we'll learn more about screen printing by combining art and science skills to create screen resist designs to then print on a t-shirt, tote bag, or other cloth items! We'll provide totes, feel free to bring other cloth items to make additional prints.

Registration is required.

BUJO JOURNALS AND SCRAPBOOKS GROUP

(grades 7-12)

All teens interested in bujo or bullet journals, scrapbooking, or collages are encouraged to attend a crafting session to make a new monthly spread, scrapbook page, or collage and share their art and progress with their peers. We'll provide crafting supplies, themed examples, and tutorials for any teens who need inspiration!

Registration is required.
