October Program Descriptions

TEEN ADVISORY GROUP & TWEEN INTEREST GROUP HALLOWEEN PARTY

(grades 7-12 & 4-6):

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This October we'll be meeting up with TWIG for a Halloween party full of crafts, snacks, and spooky music. Volunteering at the library and attending TAG meetings counts towards community service hours!

Registration is required.

DUNGEONS AND DRAGONS

(grades 7-12):

Join an ongoing roleplaying adventure where you can make friends, fight dragons, and enjoy snacks. All levels of experience welcome, all materials will be provided. We are currently playing through the 5th Edition campaign, Hoard of the Dragon Queen. If you want to learn more about DnD, creating a character, or hosting a game at home please talk to our Young Adult Librarian!

Registration is required.

OVERSIZE BOARD GAMES PROGRAM

(grades 7-12)

Come to the library on Early Release Day to play a variety of oversize board games like Connect Four, Twister, Jenga, Bananagrams, and other favorites! Pizza, snacks, and prizes will be provided.

Registration is required.

MAKERLAB: 3D PRINTER KEYCHAINS

(grades 6-12)

On the first Wednesday of each month, we'll be trying out new technology, STEM projects, and complex crafts with teens and tweens! This month we'll meet in the Media Lab to learn more about our 3D printers, try out some pre-made templates, and then create our own personalized 3D printer keychains!

Registration is required.
